Chief Schinzing discussed the vacated Ordinance Officer position, since John Erickson was hired as a member of the Public Work's crew and the ongoing issue of Property Maintenance within the Village. He suggested contacting the Village of Siren, who is advertising for a Building Inspector/Zoning Administrator to see if they would share the list of applicants or if they would be interested in sharing the position with us. Discussion took place.

Chief Schinzing will contact the Village of Siren regarding the Property Maintenance position, the Public Works department will handle long grass notifications for now, and the Village of Osceola's Property Maintenance Ordinance will be included in the July board meeting packets for the board to review.

Chief Schinzing also discussed the problems his department is experiencing with the Burnett County Sheriff's Department.
