No Longer Accepted Through RCC Drop Boxes:

- **Plastic bags** are no longer accepted through the RCC recycling drop-boxes. Other options do exist at grocery stores throughout the region.
- **Shredded paper** is no longer accepted through the RCC drop-boxes. The mess the paper creates makes it almost impossible to capture and recycle. There may be other options for residents such as their local bank or insurance company offices, or where other sensitive paperwork is required to be shredded and recycled.
- **Stickers/Address labels** are no longer accepted through the RCC drop-boxes. Stickers or labels on paper are fine, the sheets they come on however are not.
