

# Village of Grantsburg

## Infrastructure Committee Meeting

### Monday, September 28, 2020

The Infrastructure Committee for the Village of Grantsburg met on Monday, September 28, 2020, at 3:00 pm at the Village Office, 316 S. Brad Street. This meeting was also available via zoom.

**Present:** Chairman/Trustee Peer, Trustee Stone, Trustee Janke.

**Others:** Director of Public Works (DPW) Chris Bartlett

**Others via zoom:** Deputy Clerk/Treasurer Allison Longhenry

**CALL TO ORDER** Chairman/Trustee Peer called meeting to order at 3:00 pm. The Pledge of Allegiance was recited.

**2021 BUDGET PREP** DPW Bartlett went through his list of possible items for the 2021 budget including: Water Utility/meter replacement schedule, generator service and maintenance, manganese removal project, valve repairs, training for crew, pull and replace Well #1, new wall maps of the water distribution system; Sewer Utility/wastewater pilot program, manhole installation behind American Legion, by pass installation at south lift station, televising mains, training for crew and wall maps; Streets/patches, crack filling, spray patching, line painting, new sander and replace 4 street light fixtures with LEDs; Storm Water Utility/line remaining culvert on North Avenue, replacement brooms for street sweeper and new wall maps of the collection system.

Trustee Janke asked DPW Bartlett about the manholes on the newly paved E. Benson Avenue being lower than the blacktop, causing bumps when driven over. DPW Bartlett will take a look at these.

Trustee Stone reported getting a lot of complaints about S. Russell Street from State Rd 70 to W. St. George Avenue. Harrison Avenue from Oak Street to Pine Street and from Oak Street to Park Street were discussed. DPW Bartlett was asked to obtain prices on these street sections.

**ADJOURNMENT** Motion by Trustee Stone, second by Trustee Janke to adjourn the Infrastructure meeting at 3:45 p.m.

**Sheila Meyer**  
Clerk/Treasurer
