## AIRPORT COMMITTEE MEETING

### MONDAY, OCTOBER 5, 2020

The Airport Committee for the Village of Grantsburg met on Monday, October 5, 2020, at 5:00 pm at the Village Office, 316 S. Brad Street, Grantsburg, WI.

Present: Trustee Janke, Trustee Muehlberg (via Zoom), Trustee Sturdevant

Others: Director of Public Works Bartlett, Clerk/Treasurer Meyer

**CALL TO ORDER:** Chairman Muehlberg called the Airport Committee meeting to order at 5:00 pm. The Pledge of Allegiance was recited.

**Airport Hangar Inspections:** The committee discussed concerns that not all hangars had planes stored in them but were rather being used for other purposes. Meyer confirmed she spoke with the owner of concern and confirmed there is an airplane stored in that hangar. The committee agreed that no hangar inspections are needed at this time.

**2021 Budget Prep: Airport Manager, Airport Campground:** Meyer reported there have been no updates from the BOA (Bureau of Aeronautics) legal department regarding the airport campground CSM (certified survey map) she will reach out for an update. No further plans regarding layout, number of sites, or fees have been discussed. Sturdevant asked if more money should be budgeted to cover mowing since there is no longer a manager. Bartlett reported that some of the pilots have signed off on our volunteer form and have continued mowing. Janke asked about the plan to fix the airport road. Bartlett plans to build the road back up and will use the crushed blacktop that is left once the payloader is back from being repaired. The committee felt there were no other budget items to discuss.

The committee discussed it would be important to have an airport manager as a go-between from the pilots to the Village. Muehlberg talked to Ron Wilhelm and he would be interested in being the manager. **Janke made a motion to have Muehlberg talk to Wilhelm and if he accepts, present to the Village Board for approval. Muehlberg second. Motion carried.**

**ADJOURNMENT:** Sturdevant made a motion to adjourn. Janke second. Motion carried. 5:22 p.m.
