Motion passed unanimously.**

**Campground Requirements** The committee agreed they would comply with all requirements placed on the future Airport campground as stipulated by the WI Bureau of Aeronautics.

**Runway Project Update** C/T Meyer provided the committee with the Notice of Advertisement for Consultant Services for the Airport runway project. Meyer indicated she had been contacted by several firms preparing proposals. Letters of interest are due to Matt Messina with the WI Bureau of Aeronautics by June 18, 2021.

**Converting 2018 Entitlements** C/T Meyer informed the committee the Village had been contacted by Mark Graczykowski, Airport Program Engineer with the WI Division of Transportation about the ability to convert the Village's \$150,000 2018 entitlements to apportionments to be used in the future.
