For garages and storage sheds:

What is the total number of square feet of the proposed garage and/or storage shed?

What is the total number of square feet of all existing garages on your property?

What is the total number of existing storage sheds on your property? _____

COMMERICAL/INDUSTRIAL PROJECTS

State approved plans through the State of Wisconsin Department of Safety and Professional Services may be necessary depending on the type of project. If state approved plans are necessary a copy of the stamped plans must be submitted with this application. If plans are not necessary, confirmation that they are not necessary must be submitted also. Contact information for DSPS is:

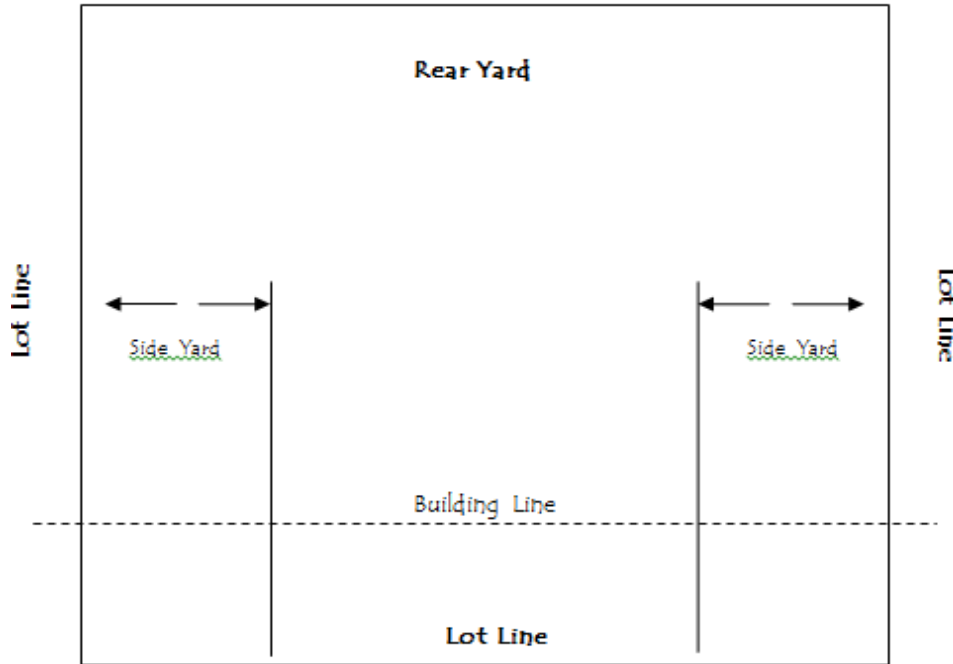

Website: <http://dsps.wi.gov/Programs/Industry-Services/Industry-Services-Programs/Commercial-Buildings/> .

Phone/Hayward Office: 715-634-4860.

Any disturbance of property (new buildings, adding of impervious surfaces, etc.) may require a storm water review. Please contact Village Engineer, Dan Penzkover of SEH at 715-861-4926 or dpenzkover@sehinc.com to determine if your project will require storm water drainage plans.

SETBACK REQUIREMENTS

All permit applications require that the applicant properly mark their property lines and stake out where the addition/new building/garage/storage shed/deck or other accessory structure will be placed. PLEASE NOTE that single wide mobile (manufactured) homes are only allowed in the PUD district. Please ask if you have questions. In addition, please fill in all dimensions and locate all buildings including accessory structures below.

APPLICANT/OWNER STATEMENT

The applicant/owner agrees to comply with the Wisconsin Uniform Dwelling Code, State of Wisconsin Statutes, Municipal Ordinances of the Village of Grantsburg, and with the conditions of this permit; understands that the issuance of the permit creates no legal liability, express or implied, on the Municipality; and certifies that all the above information is accurate. I also understand that addressing storm water issues are the responsibility of the owner. Failure to comply with the above conditions may result in suspension or revocation of this permit or other penalty.
