Welcome to the Village of Grantsburg

A few notes for new residents –

- Meters are installed within the building. As such, you agree that the Village can have access at all times to your meter(s). The Village will give you notice (if possible) when access to the meter is needed to try to work with your schedule.
 - The person listed on the account is responsible for all amounts due to the Village.
 - Bills are sent at the end of each quarter and are due 20 days after bills are sent.
 - We can **auto-withdraw (ACH payment)** the amount due on your utility bill from your banking account on its due date. An authorization form can be found at www.grantsburgwi.com under Village Government, Forms, or pick up a form at the Village office. This service is free of charge.
 - You can also pay your utility bill with a credit/debit card or e-check. Go to www.grantsburgwi.com under I Want To, Pay my bill. There is a fee to you for using this service.
 - The Village also accepts monthly payments.
 - **Garbage & Recycling** is picked up on Wednesdays; garbage every Wednesday and recycling every other Wednesday. A recycling calendar is available at www.grantsburgwi.com. The Village has a contract with Waste Management for these services.
